

Razzle-Dazzle Collar

THE STYLISH COLLAR THAT GROWS WITH YOUR PUPPY

The Razzle-Dazzle Collar is a perfect first collar for puppies. It's safe, comfortable and ready for first walks and socialization, training, and all of the outdoor activities that little dogs love. It's also a good idea for puppies to have an ergonomic harness too.

Because puppies grow so rapidly, the Razzle-Dazzle collar is adjustable and can expand as your dog grows. Plus it features 2mm of soft, cushiony padding – made from recycled materials – for extra comfort. The collar also has an integrated safety locking mechanism that helps to minimize neck strain.

The Razzle-Dazzle Collar is also durable and made of strength-tested, wear-resistant materials so you can use it with confidence. Luminous reflector provide great visibility for enhanced safety when walking or jogging in low-light situations.

The Razzle-Dazzle Collar is available in 4 adjustable sizes. Please note that product-breed size recommendations are based on adult dogs. When selecting the suitable size for your puppy, measure the dog's neck circumference and plan for 1-2 sizes of growth for small breeds and 2-3 sizes for large breeds.

The Razzle-Dazzle product line is designed for your puppy's first outdoor explorations, adventures and socialization.
